ES-700-LCR-5 Bookshelf Speaker

The Beauty Queen

As pretty to look at as they are to listen to

- Unpressed NCS (Natural Cell Structure) woofer material reinforced with Kevlar® provides accurate, uncolored, acoustic performance.
- Titanium Catenary dome tweeter delivers a wider, more engaging soundstage with an open, forward sound.
- Solid construction eliminates cabinet resonance to prevent unwanted distortion

Episode: Real Performance for the Real World. The ES-700 Series In-Room Speakers are designed to meet the demands of critical listeners and are equally capable as a music or home theater speaker. The high-performance components and build quality offer unbelievable clarity and detail, and these 700 Series Speakers will deliver a wide, natural soundstage and exceptionally dynamic sound every time.

► IN-ROOM

The ES-700 LCR Speaker is an elegant bookshelf model that is perfectly suited as a left/right or a center channel in a home theater system. It's dual front-firing ports and unpressed paper woofers offer detail and clarity not typically found in a bookshelf speaker. Timbre matched to other models in the ES-700 series.
