## Our Masterpiece

touchDock is iRoom's flagship docking station, made entirely with scratch-resistant tempered glass and features the latest technologies iRoom has been implementing in its docking solutions.

touchDock represents everything iRoom's premium docking solutions stand for:

- Available for **all current iPads** larger than 10.2".
- **Apple-certified** charging connector and electronics
- **Code-protected, motorized** removal of the iPad when it's needed for mobile use.
- Flexible **flush-mount** in-wall installation, **horizontally or vertically**.
- Built-in control processor for **AV control** independent of the iPad
- Beautiful piece of craftsmanship with high-quality **scratch-resistant tempered** glass.
