

SURFACE MOUNT BOX

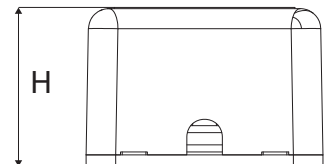

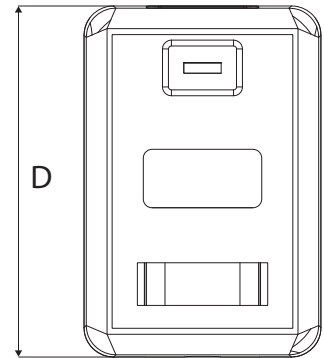

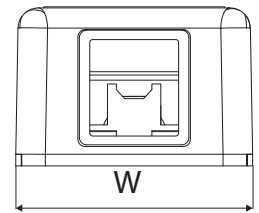

Thank you for purchasing a great product from Wirepath™ Structured Wiring. More than just a box - the Wirepath Surface Mount Box is designed to provide direct access with easy wire identification.

Features

- Fits standard 90-degree CAT5e and CAT6 keystone
- Available in white, light almond, and black
- Knock out rear entries with diagonal wire cutters for extra room without kinking wires
- Organize wire the way you want with single cable entry available on three sides
- Keep wire tidy with tie-wrap anchor points inside the module
- Label each port on the top for quick identification
- Color telephone and data icon tabs help you quickly keep track of which wire feeds into the box
- ABS UL 94V-0

Limited Lifetime Warranty

This Wirepath Product has a Lifetime Limited Warranty. This warranty includes parts and labor repairs on all components found to be defective in material or workmanship under normal conditions of use. This warranty shall not apply to products that have been abused, modified, or disassembled. Products to be repaired under this warranty must be returned to SnapAV or a designated service center with prior notification and an assigned return authorization number (RA).
