

Secure. Reliable. The Luma Promise.

Luma Surveillance[™] cameras were specifically designed to keep an eye on what's important to you. Inside or outside, Luma can watch over any part of a home or business for a little extra peace of mind.

All Luma IP cameras detect motion and rule out typical movement, integrate with popular control system keypads and touchpads, and feature a dedicated, sleek mobile app for iOS[®] and Android[™].

High Quality Picture

With 2x the resolution of 1080p, our cameras offer crystal-clear digital images for a variety of indoor or outdoor job sites.

Smart Motion Technology

Once a camera detects motion, it can send out custom notifications & alerts. Smart Motion's advanced algorithms ensure only necessary notifications.

Intuitive Luma App

Did you leave the garage door open? Want to check in on the dog? Watch live video or playback the camera stream anytime.
